SPECIAL THANKS TO THE FOLLOWING PEOPLE: Photography- John Berglund, Rick White, Ty Harmon, Captionists- Warren Gentry, Sonny Grimsley, Jamie Sloan

The 1981-82 annual is dedicated to a friend, a teacher and a leader in school spirit. Mr. Fleming's dedication to the students in the classroom and his willingness to participate in extra curricular activities have been special assets to Lakewood. Having taught such subjects as Spanish, English, typing, reading and journalism for 18 years, he has established quite a close relationship with everyone in the community. His enthusiasm and concern for the "kiddies" will especially be remembered. Mr. Fleming left us at the beginning of the year and we all miss him greatly. We wish him lots of luck and hope to see him back with us soon.

Messages

"Lakewood Jr./Sr. High School" - It has a great ring to it - one that brings forth a positive school climate, a good educational system and a great student body.

The past year has been one of transition as we've completed our first year as a new high school. In building the foundation for Lakewood High School, present and future, we've come to realize that a determined effort is required. Usually, one says we don't look back, but in this case we feel it is important. We have set high standards and some great traditions that will be recognized for many years to come.

We have seen the effort transformed into a totally successful school year. We "Started on Top and Stayed on Top" by increasing our effort and raising our goals.

The expectations will increased each year for all of us. As a school and as individuals we all have the potential to meet the challenges.

We have, and we will!

Mr. Gary R. Timmerman, Principal
Mr. Mac Whyte, Assistant Principal

You're the benefactors and future owners of a brand new high school. This has been a year of preparation and building. The block and mortar, the roofs and rooms, the lots and fields, all go to make the total facilities.

Likewise to make the total person you must prepare and build yourselves. The reading and writing, the attitudes and training, the health and recreation, all must be honed and blended. Accomplish this and you will be the beneficiary and future owner of a complete and whole person.

I wish you all the best as you progress through your new high school. The real value of the building will be measured in terms of your success. Your success will be determined by you.

H. M. "Hal" Gilmore, Ed. D.

Editor's Message

Working on the annual this year has been an experience we will never forget. Without the aid of Mr. Fleming, all of the workload was on our shoulders. It is very exciting to design the entire annual and we hope others will join us for next year.

The Annual Staff

Advisor's Message

Hello all of you faithful students who bought a yearbook this year. We appreciate your support. Although we had a very small staff this year, they did a great job putting it all together. Next year we hope to see many more ambitious students helping out. Viva Lakewood!

Thank you to all our sponsors

At this time the yearbook staff would like to extend an invitation to each of you to join us next year. Just think of the opportunities open to you! How would you like to have the status of being a photographer at athletic events and dances? You could roam the halls taking candid pictures of students and teachers at their best (or their worst). Artists, typist, people who love to create, we need you! This is your chance to contribute your talents, whatever they may be, to an important organization of Lakewood High School. The best part of all is that your name will go down in history, the history of Lakewood in 1983. The annual staff needs you. Won't you join?
